Coventry Nov. 11th 1847.

My dear Mrs Chapman

Having heard from our mutual friend Fredric Douglass of your unwearied efforts on behalf of the Slave & also the interest you feel the annual Boston Fair be now send to you a contribution from Coventry & Leamington. Being the first packet sent to Boston we are quite ignorant as

to the usual plan pur-
sued in prizing the ar-
ticles. We have however
affixed to most of them
~~articles~~ a moderate price
excepting the Irish knitting
wh is sent with the sum
for which they were ac-
tually purchased; perhaps
these articles of knitting
would have a higher

value in America. Of
course the allocation in
value of any article is at
your disposal. We should
feel interested in knowing
the sum realized by the
large Cushion & Women
& knitted Curtains, as
the donors feel interested
in the result. My mother
& Sisters join with me
in best wishes for the

1847

success of the good cause

And Believe me,

Yours sincerely

Mary Ann Cash
